

THE PROSPECTS

ONCOLOGY FUND

Background

FACIT's **Prospects Oncology Fund** is designed to support early stage proof-of-concept (POC) studies within Ontario academic institutions and startups, and which have the potential to act as deal flow for the **IPDC Fund**. Awarded grants typically range between \$50,000 and \$200,000. Funding is governed by a research contract which grants certain rights to FACIT.

\$200,000

MAXIMUM AVAILABLE
FUNDING PER PROJECT
