

Prospects Oncology Fund – Submission Form **SAMPLE COPY**

FACIT's Prospects Oncology Fund is open to Ontario start-ups and research institutions. Please ensure to review eligibility and fund details listed on the website (facit.ca/funds). Answer all questions and submit your application by the deadline. Late submissions will not be considered.

This is an initial pre-submission step and will be assessed for suitability of the innovation project for the Prospects Fund. If selected, we will request that you complete a full application to provide additional information, which will be subject to due diligence by FACIT and approval by FACIT's Board. Funding is contingent upon sufficient funds being available to FACIT.

Prospects Fund applications are assessed according to the following criteria:

- Innovative technology, not incremental advance
- A clear path forward for commercialization
- A discrete project with quantifiable outcomes tied to funding
- Oncology-related and located in Ontario
- Has Ontario IP or is likely to create IP
